

Northwind Labs

Employee Handbook — Demo Edition

This handbook is a public demo document created for DocuAsk. It is original sample content, not a real company policy set.

1. Welcome

Welcome to Northwind Labs. This handbook explains how we work, time off, remote work, and how to report an absence. If a topic is not covered here, ask your manager or email hr@northwindlabs.example.

2. Employment classification

Full-time employees work at least 40 hours per week. Part-time employees work fewer than 30 hours per week. Paid time-off policies in this handbook apply to full-time employees unless a section says otherwise.

3. Work hours

Standard office hours are 9:00 a.m. to 5:30 p.m. local time, Monday through Friday. Teams may use flexible start times between 8:00 a.m. and 10:00 a.m. with manager approval.

4. Vacation policy

Full-time employees receive 15 paid vacation days during their first year of employment. After three complete years of service, the annual vacation allotment increases to 20 paid days. Vacation is accrued monthly and should be requested at least two weeks in advance using the internal time-off form.

Unused vacation may be carried over up to five days into the following calendar year. Vacation payout at departure follows applicable local law.

5. Sick leave

Full-time employees receive 10 paid sick days each calendar year. Sick days may be used for personal illness, medical appointments, or to care for an immediate family member. Employees do not need to share a diagnosis. Unused sick days do not carry over.

6. Remote work policy

Northwind Labs uses a hybrid schedule: three days in the office and two remote days each week. Fully remote work is available with written manager approval for roles that do not require on-site equipment. Remote employees must be available on Slack during core hours from 10:00 a.m. to 3:00 p.m. local time.

7. Reporting an absence

If you cannot work, notify your manager and email hr@northwindlabs.example before 9:00 a.m. on the day of the absence. You may also send a Slack message to your manager if email is unavailable. Absences longer than three consecutive days require a brief note to HR confirming the expected return date.

8. Benefits snapshot

Eligible employees receive health insurance enrollment during the first 30 days of employment, a 401(k) match of up to 4 percent, and a \$1,000 annual professional development stipend.
